

ELF STUDIO EUROPE

WARSAW 31 MAY, 1 JUNE, 2 JUNE 2019

ABOUT THE EVENT

The idea for ELF Studio Europe was born from the ambition to bring together young professionals and political talent, to work together to find solutions to liberal challenges without being hindered by traditional organization bias.

During the four sessions of ELF Studio Europe young and upcoming professionals will participate in education and training programs given by experts while focused on finding answers to the major challenges of liberalism in the 21st century. Working outside of the confines of the usual organizational structures, participants will be able to come up with and develop innovative approaches to various problems facing liberals in the European arena.
