

## Digital Education in the EU: Future of X

PRAGUE

September 18<sup>th</sup>, 2019, 10.00 – 16.30

### ABOUT THE EVENT

Every aspect of our society is being digitalized at an unprecedented pace. We are starting to see the effects in how the labour market works with automation hitting sectors previously reliant on traditional education. What does this new paradigm look like, and how can our educational systems answer the call?
